

ATTACK OF THE 50 FOOT REELS

2007 ENTRY FORM

What is it? How does it work? When does it happen?

The 7th annual super 8 attack will be screening Nov. 29, at 7:30pm at the American Cinemateque at the Egyptian Theater in Hollywood. 25 people will be chosen based on several criteria, with priority given to newcomers to encourage more filmmakers to experience the super 8 attack. What you shoot is what we'll show. The night of the screening will be the first time any of the filmmakers will see their films.

CRITERIA and NOTES:

1. NEW THIS YEAR – PLEASE READ!

This year's ATTACK has a new twist – each film must be a documentary. The subject is up to you. Take your time, think about it, – documentary films can take many forms and can be traditional, experimental or even tell the story of a fictional character. It can be a person, place, thing, or idea.

2. Entries this year are not on a “first come first in” basis, but will be judged on your idea, and whether you have made an ATTACK film before – priority goes to the newcomer.

3. Entries will be reviewed if postmarked on/by September 10th. (if you enter and don't get in, you'll receive your entry fee back in several weeks)

4. One cartridge (50 feet) of super 8 film lasts 2:30 at 24fps or 3:20 at 18fps

5. If you are one of the 25 chosen, you will receive your one roll of super 8 film in the mail by early October with instructions and due dates for your film and soundtrack to be turned in.

6. Mail at the post office only, entries must have a postmark on/by Sept. 10th to be accepted. Mail to:
